Greenwave Electric's New Service Partner Plan!

As our way of saying "thank you" to our residential customers for their patronage, we have launched our new Service Partner Plan. Sign up to become a Service Partner today, and for a low monthly fee, enjoy these benefits of being a preferred customer:

- **Priority Service.** Whether you have a routine service or an emergency call, you will receive priority treatment, and will always be first in line.
- **No Emergency Service Fees.** Day or night, if you need emergency service, you will get the same outstanding service, but pay only our standard pricing.
- **15% Discount.** For as long as you remain a Service Partner, Receive 15% off the total cost of every electrical service we provide.
- **Home Safety Check-Up.** A licensed electrician will conduct a thorough inspection of your electrical system, ensuring that it is working properly; giving you added peace of mind that your home and family are safe.
- **Home Safety Promise.** Committed to your family safety, we promise to annually inspect your home, and test your life safety equipment. If any have failed that we installed, it will be replaced FREE!
- **100% Satisfaction Guarantee.** We promise satisfaction. If you aren't happy, let us know. We'll make it right or you don't pay.
- **Transferable.** Whether you are selling or buying a home, your Service Partner agreement is transferable. It can go with you to your new home, or stay with the buyer of your old home.

Cash Referral Reward

\$50

Give this card to a friend, family member, or neighbor. If they use this referral card and our services, your friend gets a **\$50 DISCOUNT**

Once we finish the work, we'll give you **\$50 CASH**
Fill out the card so we know who to pay!

My name is . My phone number is

I'm referring . You can call them at

Simply print this Cash Referral Reward Card, enter your information, and give to a friend, co-worker, family member, or neighbor that needs electrical repair or service. You can save them \$50 off their service, as well as earn \$50 for yourself. It's our gift of thanks to you for your support in helping our Greenwave Electric family continue to grow.

Electrical Facts That You Didn't Know

According to the Electrical Safety Foundation International, "every year thousands of homeowners are critically injured and electrocuted while attempting to perform home electrical work themselves." The ESFI recommends hiring a qualified, licensed electrician to perform any electrical work in your home, as most people do not have the experience needed to complete electrical work, and trying to do so can be extremely dangerous...even deadly.
